

Parts of the Guitar

A labeled map of the acoustic guitar — so you can name what you see, hear, and hold.

SECTION 01

Headstock

The top of the guitar, where you tune.

SECTION 02

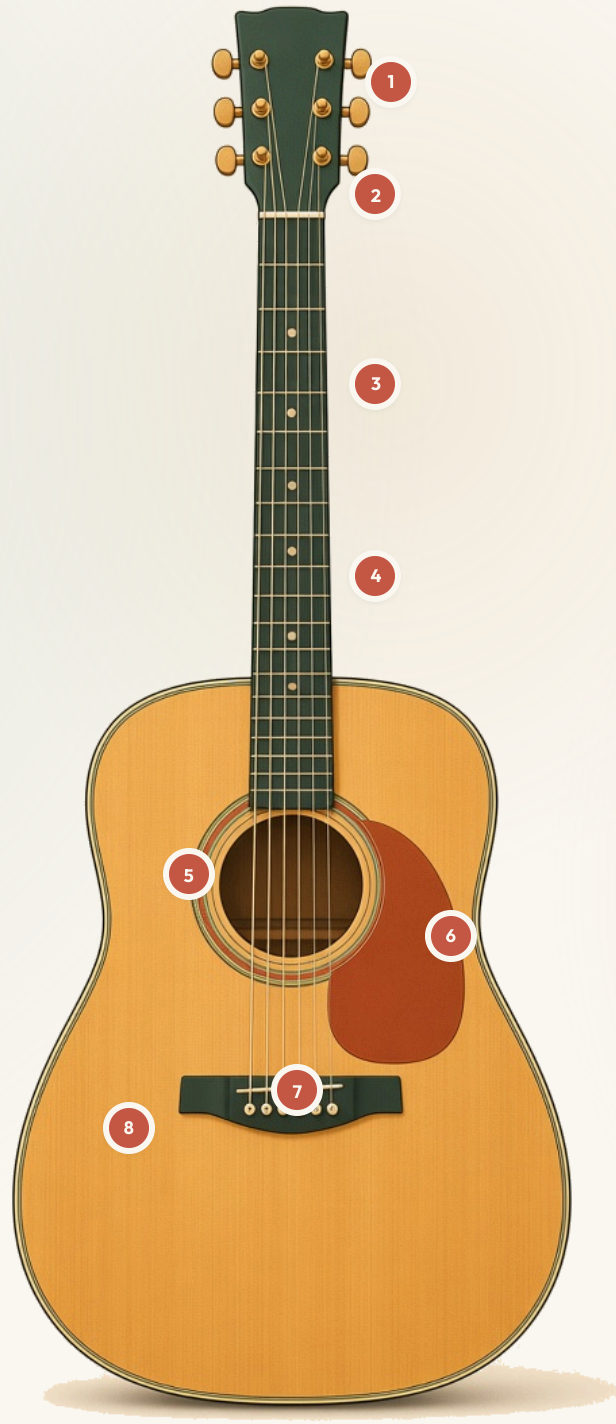

Neck

Where your fingers press the strings.

SECTION 03

Body

The wooden bowl that holds and shapes the sound.

1 Tuning pegs

Turn these to make each string the right pitch.

2 Nut

A small bar that keeps the strings in their lanes.

3 Frets

Metal strips. Press behind one to change the note.

4 Fret markers

Dots that help you find your place on the neck.

5 Sound hole

The opening where the guitar's voice comes out.

6 Pick guard

Protects the wood from picks and stray strums.

7 Saddle

A thin strip that lifts the strings on the bridge.

8 Bridge

Anchors the strings to the body of the guitar.
